

Chris and Michael

September Seven and Forever

#### Cocktails on the Lake

Your signature cocktail is served in the sunshine to the delight of your gathering family and friends. The personally crafted sipper will be representative of your style.

A gorgeous display sets the stage for the delicious celebration ahead. Mediterranean specialties, scratch-made hummus, our outrageous pita wedges share table space with imported cheeses and charcuterie.

Hors d'oeuvres are passed among your guests while they reunite and the excitement for your ceremony builds. Five selections will cover all cravings and all areas of the event, including wherever the wedding party are staging. Lamb chop lollipops are sure to make an appearance.

#### Dinner

Following your ceremony, guests make their way to their tables where they'll find home made scones with whipped butter waiting for them. Servers follow soon after with individually plated Caesar salads that are crowned with the most scrumptious deep-fried croutons.

Love is in the air and those closest to you recognize this night as a magical and perfect reflection of your story.

Anticipation is palpable as the next course is marched in. Large bowls of al dente pasta with broccoli rabe, fresh herbs, lemon and extra virgin olive oil are offered to the head of the table to share and pass. The feeling of community grows- even between those who are newly acquainted- as they watch eagerly for the next dish. Courses continue one after the next to the delight and surprise of all as their plates and their hearts become fuller. The heavenly thighs are just that- tender, juicy and with the very subtle backnote of cinnamon. The caramelization on the braised carrots causes euphoria and is married with tender beef short ribs in a deep, mirror-like demi-glace. To finish the plate, fennel-poached jumbo shrimp skewers are served and provide a light, clean palate pleaser to complete your wedding feast.

At this point in the evening, you take a moment to look around you and feel humbled that so many people came to one place to celebrate your love for one another. As you relish in the moment, you realize there's only one way to really express your happiness...you dance.
